DETAILED ACTION

Response to Arguments

1. Applicant's arguments, filed on August 05, 2010 have been considered and are persuasive. Accordingly, the rejection of claims 1-39 has been withdrawn.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David Cushings on September 10, 2010.

[Begin Audit]

IN THE CLAIMS:

Claim 19 has been amended as follows:

19. (currently amended) A base station for a system for communicating with terminals, comprising: means for obtaining, in conjunction with a control facility, a list of shared channels that is allocated to the base station and that has been communicated to one of said terminals from said control facility, wherein said list is composed of several sets of shared channels; means for selecting, for said one of the terminals, one of the sets of shared channels; and means for indicating to said terminal by way of a dedicated

Art Unit: 2617

channel, independently of the control facility, which set is selected from the list allocated to the base station.

[End Audit]

Allowable Subject Matter

3. Claims 1-39 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art fails to teach or suggest the limitation, "a list of shared channels that is allocated to the base station and that has been communicated to one of said terminals from said control facility, wherein said list is composed of several sets of shared channels," along with other limitations of the independent claims.

Any comments necessary by applicant must be submitted no later than the payment of the issue fee, and to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
